

# Economic Vitality and Education in the South (EVES) The South's Pre-Pandemic Position The SEF Region, 2019

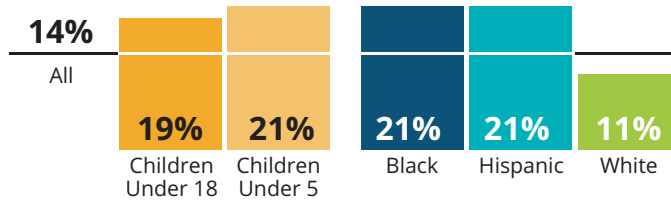

## Poverty and Food Insecurity

Children eligible for free or reduced price lunch

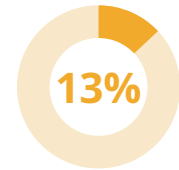

57%

People living in poverty

Children living in food insecure households

## Median Household Income

On average, people of color were paid less than White people.

Black: \$39,690

Hispanic: \$49,434

White: \$61,967

## Childcare and Early Childhood Education

Children under 6 with all caretakers in the workforce

Families who lived in childcare deserts

Four-year-olds enrolled in a public ECE program in 2020

Annual childcare expenses should cost just 7%\* of a family's income, but **infant care for one child cost**

of the average Black household's income

of the average Hispanic household's income

of the average White household's income

If infant care cost 7% of the region's median income,

just **14 of every 100** families could afford it.

\*according to the U.S. Department of Health and Human Services
